(301) 345-8077

OBJECTIVE

Seeking to further develop skills as a web designer and developer.

CAREER PROFILE

Detail-oriented college graduate skilled at self-teaching, including in applications such as the Adobe Creative Suite and languages such as HTML, JavaScript, and CSS.

EDUCATION

University of Maryland University Campus, Adelphi, MD

Bachelor of Arts, Digital Media and Web Technology, December 2019, summa cum laude

- Attained Dean's List and Academic Scholarship

Prince George's Community College

Associate of Arts, Art, May 2017, summa cum laude

Certificate, Animation/Hypermedia, May 2017

- Attained Dean's List
- Inducted into National Society of Collegiate Scholars, Phi Theta Kappa

Total 15 credits in HTML, CSS and JavaScript

Notable projects included three small websites built from the ground up

WORK EXPERIENCE

Freelance Web Designer/Developer, Oasis Business Systems, Huntingdon Valley, PA, 2019-present

- Developing HTML and CSS-based website for land development company

Freelance Web Designer/Developer, Mobile Vet to Pet PLLC, Granite Falls, NC, 2018-2019

- Updated the company website with eight hand-coded pages in HTML, CSS and JavaScript
- Replaced a map image with a custom Google map showing the company's service areas and made a PDF computer-fillable in Adobe Acrobat
- Overhauled the company logo to a more modern aesthetic

Freelance Video Editor, St. Pius V Lay Dominican Chapter, Catonsville, MD, 2017-2018

- Interspersed single-camera footage of eight speeches with illustrative videos and (when available) secondhand footage in Premiere Pro for a three-hour series of videos
- Authored finished video into tracks for a two-DVD set, providing interactive menus,

- track selections for each DVD and including one approved “Easter egg” track
- Provided basic audio editing for CD versions of finished tracks in Audacity
- Designed CD/DVD covers and labels in Photoshop

Freelance Cover Artist, Other, Berwyn Heights, MD, 2015

- Developed a cover for a direct-to-Amazon book, *Proto-Comics*, in Photoshop

Freelance Graphic Designer, Battlefield Press, Online, 2014

- Designed a character sheet for the RPG *Pulp Fantastic* in Photoshop and Illustrator

VOLUNTEER AND HOBBY EXPERIENCE

YouTube, Online, 2016-present

- Directed, wrote, edited, acted in and developed multiple visual effects sequences for the 17-minute short film “Abydos” and other videos on the channel Mxyl Valtapaz in Premiere Pro, Blender and After Effects
- Edited and added various visual effects to two videos on the channel Leena Valtapaz in Premiere Pro and After Effects, one of which has over 19,000 views

St. Ann’s Summer Camp, Belcourt, ND, 2018-2019

- Volunteered one month each year to help manage a youth retreat. Let a small group of participants, gave public speeches, taught a youth science class, oversaw archery and canoeing stations, guarded cabins at appointed times, and wrote and acted in skits
- Recorded and edited video for a weekend retreat into a 4-minute video for a collaboration with a sister camp in Texas

Catholic Committee on Boy Scouting, Archdiocese of Washington, Upper Marlboro, MD

- Helped plan and staff a religious retreat for 100+ boy scouts. Gave a public speech, led public prayer, and acted at the retreat

BOY SCOUTS OF AMERICA

- Awarded Eagle Scout rank with Bronze Palm
 - Directed 16 scouts and adults in repairing, sanding, caulking, and painting the front porch of their meeting center, Fealy Hall, for a 78 person-hour Eagle project
- Earned Brotherhood membership in Order of the Arrow
- Served as Senior Patrol Leader and Patrol Leader
- Used the Troop website’s Weebly editor to serve as webmaster, updating text, managing images and running a blog/photography series on the Troop’s recent campouts from 2015-2017

SKILLS

- HTML/CSS/JavaScript
- Adobe Creative Cloud (After Effects, Encore CS6, Illustrator, Photoshop, Premiere Pro)
- Microsoft Access, Excel, PowerPoint, and Word
- Blender
- Videography
- Self-teaching (virtually all above skills either self-taught or self-improved past college)
